“

We remain committed in keeping Boys & Girls Clubs of the Midlands a place where youth build a great future and our teammates find joy in paving the paths for them to do so.

- Richard Webb, President & CEO
Boys & Girls Clubs of the Midlands
North Club Alum

”

FROM OUR PRESIDENT & CEO RICHARD WEBB

Dear Friends and Supporters,

In 2022, the Clubs celebrated 60 years of serving youth in our community. It was a year of transformational growth for Boys & Girls Clubs of the Midlands. Through our first year of implementing our two-year strategic plan, we began to truly understand the best ways to adapt and serve our members in the face of new challenges. By the unparalleled strength, dedication and resolve of our teammates who never stopped working to uphold our mission, we overcame many trials and tribulations and have more to celebrate than ever before.

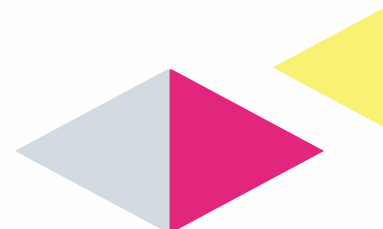

This past year, the Clubs safely served 970 members each day. We worked beside our local school districts to ensure that our members had support in all areas of education, including a safe place to grow under the supervision of caring adults at the end of each school day. By listening to our members and teammates, we developed thoughtful partnerships with Center for Holistic Development, Methodist Community Counseling and Project Harmony to offer mental health trainings for both our members and staff. The Clubs also rose to the occasion by hiring and welcoming over 130 new teammates in 2022, allowing us to adequately serve more members.

As we head into the new year, we are focusing on engaging our teen population and assisting our members in narrowing the educational gaps that have been exacerbated over the last couple years. We will need your continued support to accomplish our goals in these two focus areas as our teammates and Board encourage our members to thrive, rather than merely survive, in their endeavors. We remain committed in keeping Boys & Girls Clubs of the Midlands a place where youth build a great future and our teammates find joy in paving the paths for them to do so.

Your advocacy and dedication have not wavered in the face of uncertainty, and for that, we are thankful. Because of you, we rose to the challenges 2022 brought and continue striving for the extraordinary futures of our members in 2023. We are looking forward to another year of inspiring and enabling our members to achieve their full potential as they grow and develop in our Clubs.

With gratitude,

Richard Webb
President & CEO
North Club Alum

ACADEMIC SUPPORT

MEET ALLY FLORENCE CLUB MEMBER

Prior to becoming a member at the Howard L. Hawks Florence Club, Ally was shy and timid. Club members like Ally are a great example of how important Club programs are to youth, and how critical our staff are in building healthy and trusting relationships.

Like many other young kids, Ally found reading to be a challenging subject and would often become emotional during Readers to Leaders programming. Readers to Leaders is a literacy program at Boys & Girls Clubs of the Midlands that provides a performance boost in reading year round for members. The program teaches important reading skills necessary to connect with and understand text. Staff member, Ms. Promise, shared that, "Ally was a bit intimidated by Readers to Leaders [at first]. But, with a little motivation, she has started excelling." After a lot of hard work, Ally continues to reach her weekly Readers to Leaders goals!

Ally has grown from a shy new member to an ambitious Club member who is now comfortable asking for help when needed. Ally shared, "I enjoy Boys & Girls Club because I have fun doing art projects such as mask and bracelet making. I like Ms. Promise - she is nice and makes me laugh." The relationship between Ally and Ms. Promise goes both ways as Ms. Promise says, "Ally is a pleasure to work with. She has a great sense of humor and is friendly to everyone."

Each year Club members participate in the National Youth Outcomes Initiative, a survey that measures the impact of Boys & Girls Clubs of the Midlands.

Of the convenience sample surveyed...

SCHOLARSHIP & SUCCESS PROGRAMS

2022 YOUTH OF THE YEAR MARGARET SMITH *IN HER OWN WORDS*

The bell rings on the first day of school, I feel my palms getting sweaty and I was a little light-headed. I reached for the doors at the Millard Boys & Girls Club, biting my nails and swaying with the breeze. But as soon as I made it past the entrance, I was greeted by some of the most kind-hearted people I have ever met. Staff could sense my emotions and they did everything they could to make sure I felt comfortable.

At the beginning of my Club experience, I sat in the office a lot, confused about who I truly was. It was hard for me to meet new people but at the Club, I was always surrounded by new people. As I got more comfortable with them, I could eventually feel some of the puzzle pieces being set into place for who I was.

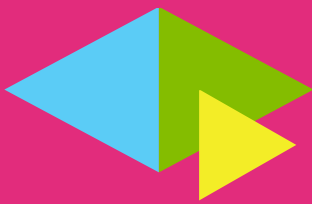

Now that I'm in high school and entering my fifth year as a Club member, I've realized that the Club has given me several opportunities and have contributed to my successes. The Club has also encouraged me to learn new things, such as exploring different careers.

One experience that made an impact is that I got the chance to tour the Douglas County Court House with Judge Shelly Stratman. She showed us her courtroom and shared how she felt like such a strong woman with the job she had. She said being able to sit at the top of her courtroom and have the final say made her feel powerful. I want to become a judge so other young people don't have to experience the types of bullying that I, and others at my school, have been subjected to and that they, too, can feel powerful.

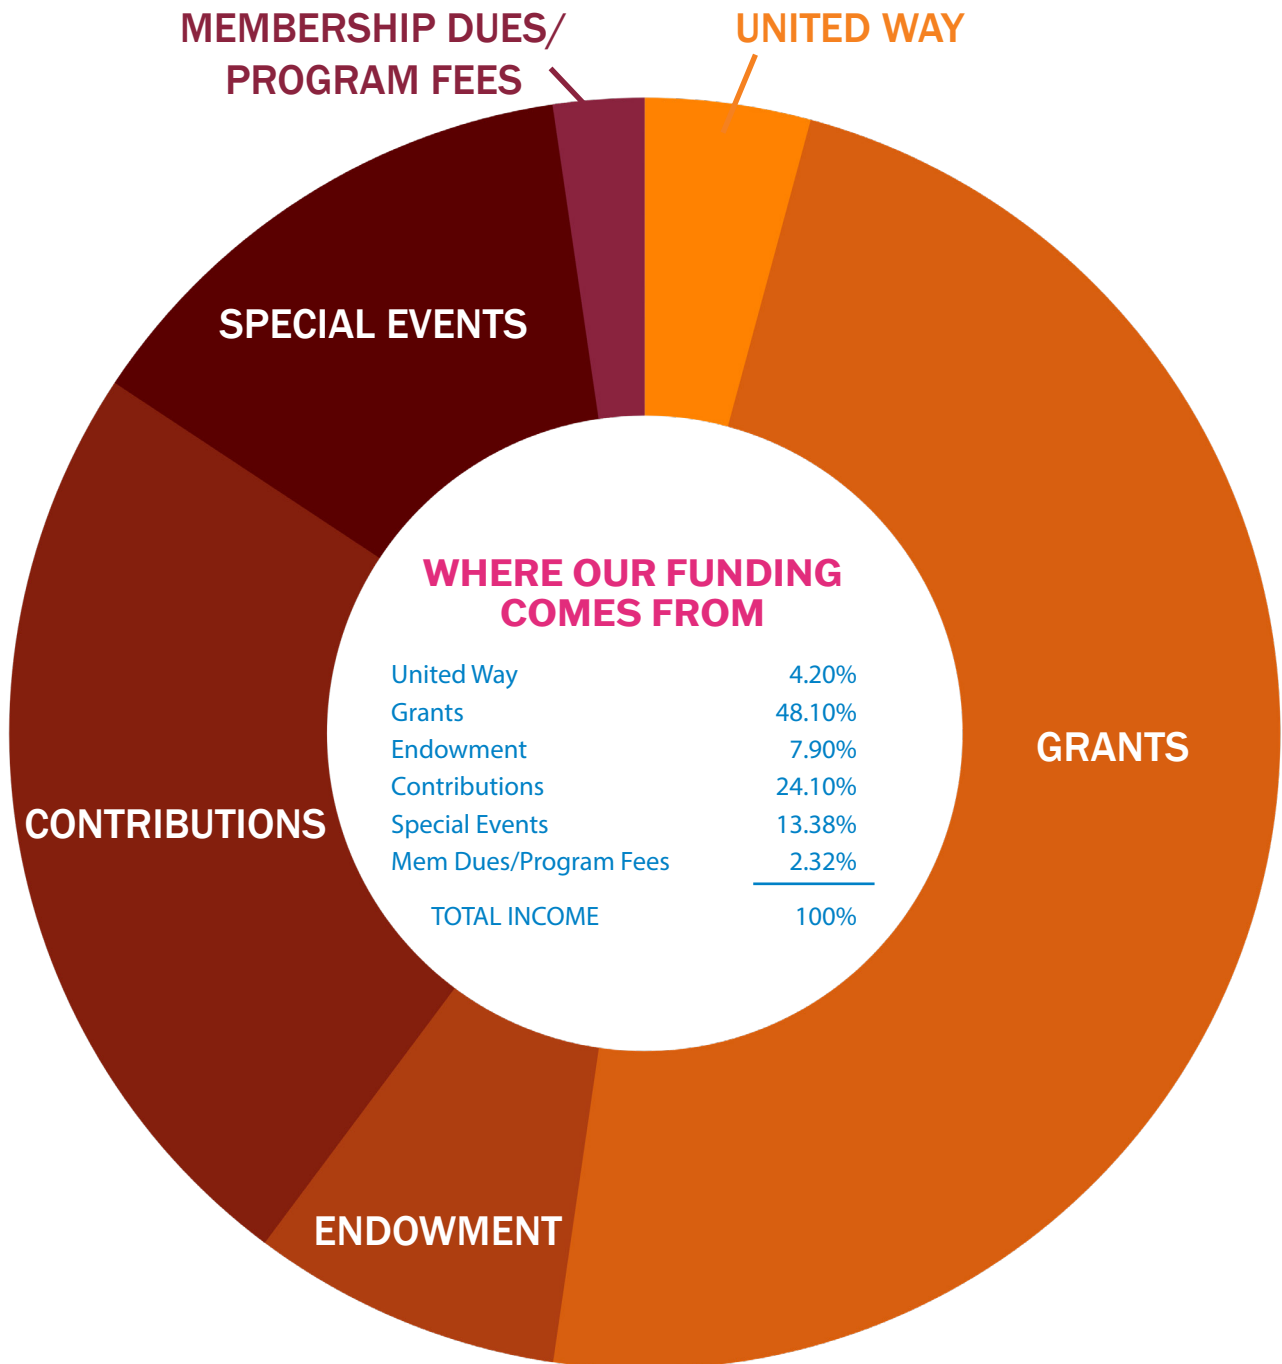

I would not be who I am today, or have gained so many life-changing experiences, if it wasn't for the Millard Central Boys & Girls Club taking me in and making me the confident person I am today.

The Club has changed me for the better and helped me to break out of my shell. I'm grateful for every single person that has helped me, provided advice and watched me grow. When I am older, I know I will always have joy knowing that the Club will still be there for me and encouraging me on every step of my journey.

“

I was a South Club member who had no plan to go to college. But the Clubs changed the trajectory of my life. Looking back and knowing my experience, I believe in the commitment of the entire community to provide hope and opportunity for kids that need us most.
